LOCAL MATTERS.

On class tomorrow at 5:20 a. m. and 1:30 p. m. High water at 11:45 a. m. and 12:07 p. m.

WEATHER PROBABILITIES.—For this section fair tonight and Wednesday; fresh to brisk northerly winds.

THE CITIZENS' TICKET.—The subcommittee of twenty appointed by the Citizens' Progressive Association met at the rooms of the Business Men's League last night and decided upon one candidate for the board of aldermen and four for common council for each ward to be entered in the democratic primary on the 16th instant. The members of the committee declined to give the names of their candidates but said that they would be submitted to the public meeting of the association at St. Paul's Hall to-night for ratification. Fred J. Paff, who was named as a member of the committee, declined to serve, and in a letter to the chairman gave as his reason the fact that he could not do so consistently, being now a member of the council and candidate for re-election. He said, however, he was in favor of improvements in many directions and he was allowed to run, as it suits them, the "ball" street car.

This evening it was reported on the streets that the committee would make among others, the following nominations:

First ward—Aldermen, Peter Altchison; Councilmen, Alton Moore, J. H. Trimyer, Wm. Woods and E. M. Birrell.

Second ward—Aldermen, Theo. Balenger; Councilmen, S. B. Fisher, J. D. Normyle, H. Bader and E. L. Field.

Third ward—Aldermen, E. E. Downham; Councilmen, Albert Bryan, F. J. Paff and B. B. Smith.

Fourth ward—Aldermen, John T. Swenney; Councilmen, R. F. Tucker and Robert Elliott.

AN EASTER PARTY.—Miss Christina Kemper delightfully entertained her many little friends, boys and girls, at an Easter party last night from 6 to 8 o'clock given at the residence of her grandfather, Mr. K. Kemper, on Washington street. Truly it was a charming sight to see the little ones, who were young again. The parlors were beautifully and appropriately decorated in white and yellow, the Easter colors, hens' nests, Easter eggs, chickens in every nook and corner, the main feature being a mammoth Easter egg suspended from the chandelier in the front parlor, which contained the prizes for each little one. This was lowered so as to be within reach and in turn each boy and girl drew therefrom a rooster, chicken, duck, dog, etc., and in this way decided with whom they would go to supper. This caused great merriment and made a scene long to be remembered. Everything was done to make all enjoy themselves. There was an egg hunt and a cakewalk, the prizes in the former being won by Miss Dorothy Buckingham and Master Bedford Uhler, and in the latter the cake was divided between Misses Mary and Nellie Robertson and Pauline and Caroline Johnson. To the music of a piano all then marched in procession to the dining room, which had also been beautifully decorated in white and yellow. At each plate was an egg created out of some delicious substance which the little ones found as toothsome, if not more so, than the real egg. And so a most happy and enjoyable evening was spent and all left for their homes with expressions of good will for and kindly thoughts of their little hostess.

Mrs. Kate W. Flood, of the Internal Revenue Department, of Alexandria, is the guest of her sister, Mrs. Joseph S. Barnes, on Court street.—[Lynchburg Advance.]

Booth, Registrar; and G. W. Ramsey, Treasurer. Mr. L. M. Blackford was elected delegate to the Episcopal Council which meets at the church in this city on May 15, and Mr. W. A. Smoot alternate. The committees having charge of the arrangements for the council reported progress. A new pavement was ordered to be laid in front of the rectory on Washington street.

At the annual election of vestrymen for Grace Church held last night the following were chosen: Messrs. Chas. King, C. N. Moore, Geo. Hulsh, C. J. Deahl, F. T. King, W. H. McCuen and W. H. Van Vleet.

THE RAILWAY ORDINANCE.—The Mayor and City Attorney this evening were in consultation with Dr. Abbot and Mr. R. W. Moore, representing the electric railway, in reference to the bill recently passed by Council which requires the railway company to pay \$100 annually into the city treasury.

The railway representatives objected to the repealing clause in the bill, holding that it would violate the contract. They said they were willing to pay the money provided there would be no interference for the transit named in the bill. They also want to be allowed to run, as it suits them, the "ball" street car.

City Attorney Booth will draw up another ordinance and the mayor will send it to council tonight.
